

Schrobbelaar

Words of Welcome

Welcome to the “FUS10N” mixed tournament!

You're at the point of having a day which provides you a basketball experience that you have never had before. Of course there will be loads of balling, but there is more! What about this...

- When you have a moment of rest, go to the “Schrobbelaar Cinema”. Here we play basketball movies in which the greatest basketballers ever show us their tricks.
- DJ Unique & DJ Franklin will be DJ during the day. They will provide you with the appropriate beats so we play even better.
- ALWAYS an open court to just play pickup games, shoot and stay warm when you're not having a game.
- To keep the inner-man content lunch and dinner are provided.
- When the tournament is finished there we will be watching the ¼ FINALS of the EK in town.
- FUS10N's Schrobbelaar Party. This great party is not only available for participants, but also for your friends. For more info see page 7 of this information guide.

Read this guide carefully, especially the rules, so you will not get any surprises.

LOTS OF FUN TODAY!

Rules

These are the tournament rules:

- A team and its players are entitled to participate in the tournament only if the complete participation fee has been paid for in advance
- Only after payment of the complete fee are a team and its players considered as participants, and therefore able to claim the rights that participants have.
- The organizing committee is not responsible for any damage or loss of personal possessions
- The organizing committee is not responsible for any injuries sustained during the tournament.
- Please eat (lunch and dinner) in the canteen. Do not bring food onto the courts.
- Please take care of your garbage. Garbage bins are to be found on several spots within the sport centre. Please use them and don't leave litter lying around.

These are the game rules:

- Games are to be played in the spirit of fair play. This is a friendly tournament, and all players are expected to respect this principle. This means avoiding physical as well as verbal aggression or rough play, both to respect the spirit of the event, and to avoid injuries.
- Games will take 25 minutes with a running clock.
- Each team is regularly obliged to provide two referees and a person to record the score, according to the schedule. They must know and apply the specific rules of the tournament competition.
- Each team is allowed one time-out of 30 seconds per game. During the final 3 minutes of a game, no time-outs are allowed.
- At any moment during the game, a team must field at least two women.
- Fouls will not be punished by free throws. Instead, the rules are:
 - Foul against a non-shooting player >> ball possession
 - Foul against a shooting, non-scoring player >> 1 point and ball possession
 - Foul against a shooting, scoring player >> score counts and 1 bonus point
 - Technical foul >> 1 point and ball possession
 - Unsportsmanlike and disqualifying fouls >> 2 points and ball possession
Disqualifying fouls will furthermore be considered by the organizing committee, and appropriate action will be taken, against which no appeal is possible.
- Men are only allowed to block women's shots if they have both their feet on the ground while blocking the attempt. Any other way of a man blocking a woman's shot will result in an automatic shooting foul, and in the penalty mentioned above.
- Women-scores are awarded 3 points, men-scores 2 points. The normal rule for shots made from behind the 3-point line applies to both men and women.
- The winner of a game gets 3 points, the loser gets none. In case of a draw, both teams get 1 point. There will be no overtime.
- A team that does not show up in time for its game, will lose the game by 0-20.
- Group winner is the team having the most points. If teams are tied, the result of their mutual encounter will be decisive. If they are still tied, the scores of their group games (outcome of: points scored minus points allowed) will be decisive. If they are still tied, number of points scored will be decisive. If they are still tied, the organizing committee will flip a coin to break the tie.
- Apart from the special rules mentioned above, the standard FIBA rules apply.
- In cases not accounted for by these rules, the organizing committee decides. Decisions are binding. No appeal is possible.
